Project Financing

At Kara Industrial Trading GmbH, we offer state of art solutions that adapt to our client's business requirement for project financing. We work with our clients to find solutions that maximise the use of securities while maintaining access and movement to cover trading obligations. In addition to traditional loan financing, we, in close partnership with our long standing banks, are increasingly offering versatile financing solutions including but not limited to:

- Documentary credits with deferred payments to up to 3 years
- LC discounting
- At sight letter of credits
